

SEMP FY19 Summary Reports: Objective Average Quarterly and Annual Performance Results

Objective Name	Average Performance Within Objective
Objective 1-1: Maneuver Damage Control Program	Green (0.84)
Objective 1-2: Land Rehabilitation and Maintenance	Green (0.90)
Objective 1-3: Water Resource Protection / Stream Crossing and Sediment Basin Maintenance	Green (0.95)
Objective 2-1: Red-Cockaded Woodpecker (RCW) Population Recovery	Green (0.83)
Objective 2-2: Longleaf Pine Forest Management	Amber (0.38)
Objective 2-3: Louisiana Pine Snake Conservation	Green (0.79)
Objective 2-4: Bog Management	Green (1.0)
Objective 3-1: Integration of Master Planning, Engineering and Environmental Concerns (Sustainable Facility Site Selection and Development, Energy and Water Conservation)	Green (100)
Objective 3-2: Environmental Compliance for Fort Polk Construction Projects on KNF Lands	N/A
Objective 4-1: Hunting and Other Recreational Opportunities	Green (0.78)
Objective 4-2: Quality of Life for Installation Neighbors – Noise, Wildfires and Road Conditions	Green (1.00)
Objective 4-3: Limited Use Area Safety and Land Use Compatibility	Green (1.00)
Objective 5-1: Continuous Improvement (Joint Mitigation and Monitoring)	Amber (0.50)
Objective 5-2. Continuous Improvement (Adaptive Management)	Red (0.20)

SEMP FY19 Summary Reports: Percent of Metrics with Green, Amber and Red Annual Results

Objective Name	Percent of Metrics*		
	% Green	% Amber	% Red
Objective 1-1: Maneuver Damage Control Program	75%	19%	6%
Objective 1-2: Land Rehabilitation and Maintenance	80%	20%	0%
Objective 1-3: Water Resource Protection / Stream Crossing and Sediment Basin Maintenance	92%	9%	0%
Objective 2-1: Red-Cockaded Woodpecker (RCW) Population Recovery	67%	33%	0%
Objective 2-2: Longleaf Pine Forest Management	25%	25%	50%
Objective 2-3: Louisiana Pine Snake Conservation	71%	14%	14%
Objective 2-4: Bog Management	100%	0%	0%
Objective 3-1: Integration of Master Planning, Engineering and Environmental Concerns (Sustainable Facility Site Selection and Development, Energy and Water Conservation)	100%	0%	0%
Objective 3-2: Environmental Compliance for Fort Polk Construction Projects on KNF Lands	N/A	N/A	N/A
Objective 4-1: Hunting and Other Recreational Opportunities	67%	22%	11%
Objective 4-2: Quality of Life for Installation Neighbors – Noise, Wildfires and Road Conditions	100%	0%	0%
Objective 4-3: Limited Use Area Safety and Land Use Compatibility	100%	0%	0%
Objective 5-1: Continuous Improvement (Joint Mitigation and Monitoring)	0%	100%	0%
Objective 5-2: Continuous Improvement (Adaptive Management)	25%	0%	75%
SEMP FY19 Total	79%	12%	9%

* Includes only those metrics with Green/Amber/Red performance criteria; metrics with “data only” observations not included in totals. Totals may differ from 100% due to rounding.
